1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of the company in the pending proceeding.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I object to the proposed extremely large rate hike of over 40%. My water bills in Tega Cay are the highest I have ever paid in my life - almost 5 TIMES the amounts I have paid elsewhere in the country. The company has been granted increases in the past and should have been properly allocating these to proper system maintenance. It seems obvious that this has not been done and the company is not acting with the responsibility and best public interest with which it should be.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

Would be present at the proceeding.
